

*Softfoot Original*™

*Specially treated to prevent the growth of micro-organisms which cause skin diseases such as Athletes Foot and Tinea.*

# Softfoot Original™

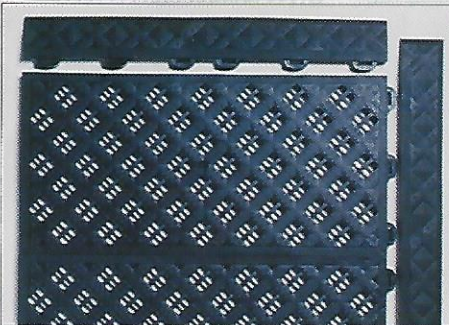

## SPECIAL FEATURES:

- Impregnated with an antimicrobial additive and treated to prevent or inhibit the growth of micro-organisms which cause skin diseases such as Tinea and Athletes Foot.
- Designed as an interlocking roll-up mat system making its removal for cleaning easy. It can also be laid in a variety of patterns and can easily be installed by the end user.
- Free draining, to enable greater ease of cleaning with hoses, flush systems, vacuuming or steam cleaning.
- Manufactured from 100% recycled materials.
- Guaranteed for five years

Reg. Design 27249NZ

## SPECIFICATIONS:

- Dimensions:** 500mm (20") long x 250mm (10") wide x 15mm (9/16") high.
- Weight:** 700 grams (24oz) each.
- Material:** Rubber and flexible P.V.C.
- Load Capacity:** 1050kg (2320 lbs) laid on a rigid base.
